Dear Mr. Boersma:

GEA Farm Technologies, Inc. would like to congratulate you on your Verified Premium Plus Award. We understand you take great pride in producing the highest quality milk. GEA Farm Technologies is committed to supporting the production of high-quality consumer food products and would like to offer our help and assistance in any way possible to maintain this level of accomplishment.

Around the world, GEA Farm Technologies offers dairy producers the products and expertise they need to maintain a superior milk quality. For example, top of the line hygiene products, including the world's leading line of teat dips; the world's most complete line of high-tech dairy equipment and supplies; and expert services, such as milking system and milking procedure analysis.

We're glad to be a partner in the Dairy Quality Center's Verified Premium Plus program and are proud to be able to present you with this award!

We wish you continued success with your dairy operation. Please call on us if we can help in any way.

Sincerely,

Your Friends at GEA Farm Technologies, Inc.
